

"Infinity" Pendentif

A veritable sculpture, Delance "Infinity" pendant, inspired by the number eight, this pendant is marvelously delicate and refined. In white gold, completely covered with sparkling diamonds, suspended in a serpentine chain, this jewelry is made to resemble the woman for whom it is destined. Danièle would like to find just the right piece of jewelry, something discreet yet luminous, that will bring a glow to her face and radiance to the black she wears so often. She has chosen a pendant that DELANCE has made especially to her.
