

"Marina"

Ode to water, source of life, for the woman who dreams of maternity, Delance created this watch full of hope and symbolism. Two palm trees in clear water deliver their secrets of fertility. With **DELANCE "Marina"** on the wrist, the past is transformed into a serene future.

Water the source of life

The hand-engraving designed by an artist gives this **Delance** watch its unique character. Two palm trees at the edge of the water catch the eye and make her dream. The association of water and palm is a symbol of vital power and motherhood.

The palm tree is also closely related to a fostering female divinity, which sometimes manifests itself within the tree. **DELANCE "Marina"** delivers to the woman who wears all the secrets of her femininity. Thanks to the brightness of the blue mother-of-pearl and the elegance of its silver bracelet strands, the **DELANCE "Marina"** accompanies you in your story as a mother and a wife. A simple look at your wrist gently refocuses you.
