

"Océane"

Elegant and subtle, **DELANCE "Océane"** plunges her into her dream of serenity. Every evening, the painting is sumptuous, a breathtaking beauty, even the clouds do not move and seem to admire the sun set. As far as the eye can see, the sea ripples with the light wind, and the sun gives her a golden hue.

Created for her by the man who loves her

Her **DELANCE "Océane"** carries with it a declaration of love: He has chosen to tell the story of their evening walk by the sea at the sight of the sun setting in the waves. Four red rubies for the four seasons, or for the quiet fall of the sun in the ocean.

A unique watch for a magical woman

The brightness of the white mother-of-pearl and the elegance of the white bracelet give the woman wearing this watch the strength to overcome the storms of life. Elegant and subtle, **Océane** is a true **DELANCE**.
