

"Anaé"

Romantic, sweet, the Delance watch called « Anaé » is absolutely charming with its pink laurel garland painted at 2 p.m. on its rose, mother-of-pearl face. This delicate watch discreetly reflects the beauty of the woman who wears it. The 4 rose sapphires set at the south of the dial recall the pink of its leather bracelet, subtly transforming this timepiece in to a timeless piece of jewellery.

The given name « Anaé » – flower, grace

The first name, Anaé, means « flower » in Japanese, while in Hebrew it means « grace ». Anaé is a highly intelligent woman, patient, though rather solitary. This, in no way, takes away from her determined character or her rather proud nature. Her flawless loyalty in both friendship and love means she is always ready to help to others.
