

"Chloé"

This highly symbolic gem of the sun, the Delance watch « Chloé », has captured the heart of the good fairy of the vineyards. The luminous, green, mother-of-pearl face of this watch, decorated by green vines, whispers that her fairy fingers know how to cultivate the earth and make fruits with a delicious nectar spring forth. The alligator watch band in lime green, like a tender new growth, completes the symbolism of this delicious timepiece.

The given name of « Chloé » - young plant

In Greek, Chloé signifies "young plant", "young shoot". It is the name of the Greek goddess of the earth, Demetrius. Chloé was a first name beloved in the Greek world during antiquity. Chloé's patron saint was called Flower (Fleur), who, at the tender age of 14, became a Sister in the religious Order of Malte during the 13th century. She was called upon to heal the sick; she was also the protector of children. Chloé has a sunny personality. She is curious, one whom nothing and no one can stop. Outspoken and dynamic, she entices her circle of friends to follow in her wake of contagious good humour, but beware and take care only to follow in her footsteps... she does not appreciate anyone getting in front of her!
